

Buonasera!

Here comes our favourite season of the year. Our menu this time is inspired by the region of northwest Italy, Piemonte.

From the selection of Stuzzichini, the classic house made Grissini (aka Bread Stick from Turin); a Fondue-like Bagna cauda is served with assorted local vegetables; Ham which is made of local Berkshire pig head, cured, poached & aged in house.

Another highlight is our Primo dish, the classic Piemontese Tjarin Pasta which is made with egg yolks & flour, paired with butter, sage & winter truffle.

Aged Duck with BBQ neck sausage is the star for this season. Veal steak & sweetbread with Tuna cream is inspired by the traditional dish named - Vitello Tonnato.

To finish off, choose from our selections of Dolci - the classic Bunet made with chocolate, amaretti & grappa; Or our signature Salted Coconut Panna Cotta with the refreshing Mango Sorbet. Buon Appetito!
